

## Important notice about use of GAUI Mini VBar on NX4

### ⚠ IMPORTANT:

For operation with the NX4, the GAUI Mini VBar MUST be used with the included metal plate.

The tape between the Mini VBar and the metal plate must be very rigid and the tape between the plate and the NX4 frame can be slightly softer.

For replacement GAUI recommends:

3M Scotch Exterior Mounting Tape (4011)

### NX4上使用GAUI Mini VBar的重要注意事項

### ⚠ 注意:

使用Mini VBar時必須將內附之金屬板黏附於Mini VBar底部。

3M雙面膠僅限黏合在Mini VBar

上並將另一面黏合於機身隔板上。
